IV. AMERICORPS SPECIAL PROVISIONS

A. DEFINITIONS

For purposes of this grant the following definitions apply:

1. **Grantee**, for the purposes of this agreement, means the direct recipient of this grant (45 CFR Part 2542.510). The grantee is legally accountable to the Corporation for the use of grant funds and is bound by the provisions of the grant. The grantee is responsible for ensuring that subgrantees or other organizations carrying out activities under this award comply with all applicable Federal requirements, including these provisions, regulations and OMB circulars incorporated by reference.
2. **Subgrantee** refers to an organization receiving AmeriCorps grant funds or member positions from a grantee of the Corporation. See 45 CFR Part 2541.370.
3. **Operating site** means the organization that manages the AmeriCorps program and places members into service locations. State subgrantees (programs) are operating sites. National grantees must identify at least one operating site to which they can assign service locations in the state where they are placing members.
4. **Service Location** means the organization where or with which a member actually provides his or her service in the community. Typical service locations are schools, food banks, health clinics, community parks, etc. The service location may be the same as the

operating site, but only if the member actually serves at or with the operating site organization. A member may serve at multiple service locations, all of which must be listed in the portal, although the program must select only one for the member's primary assignment.

5. **Member or participant** means an individual:

- a. Who has been selected by a grantee or subgrantee to serve in an approved national service position;
- b. Who is a U.S. citizen, U.S. national, or lawful permanent resident alien of the United States;
- c. Who is at least 17 years of age at the commencement of service unless the member is out of school and enrolled
 - i. in a full-time, year-round youth corps or full-time summer program as defined in the Act (42 U.S.C. 12572 (a) (2)), in which case he or she must be between the ages of 16 and 25, inclusive, or
 - ii. in a program for economically disadvantaged youth as defined in the Act (42 U.S.C. 12572 (a)(9)), in which case he or she must be between the ages of 16 and 24, inclusive; and
- d. Who has a high school diploma or an equivalency certificate (or agrees to obtain a high school diploma or its equivalent before using an education award) and who has not dropped out of elementary or secondary school in order to begin a term of service as an AmeriCorps member (unless enrolled in an institution of higher education on an ability to benefit basis and is considered eligible for funds under section 484 of the Higher Education Act of 1965, 20 U.S.C. 1091), or who has been determined through an independent assessment conducted by the grantee to be incapable of obtaining a high school diploma or its equivalent.

B. AFFILIATION WITH THE AMERICORPS NATIONAL SERVICE NETWORK

1. **Identification as an AmeriCorps Program or Member.** The grantee must identify the program as an AmeriCorps program and eligible members as AmeriCorps members. All partnership agreements/MOUs related to the AmeriCorps program must explicitly state that the program is an AmeriCorps program and AmeriCorps members are the resource being provided.
2. **The AmeriCorps Name and Logo.** AmeriCorps is a registered service mark of the Corporation for National and Community Service. The Corporation provides a camera-ready logo. All grantees and subgrantees on their organization's website must clearly state that they are an AmeriCorps grantee and display the AmeriCorps logo with prominence. Grantees and subgrantees except for Education Award Programs (EAPs) must use the AmeriCorps name and logo on service gear and public materials such as stationery, application forms, recruitment brochures, on-line position posting or other recruitment strategies, orientation materials, member curriculum, signs, banners, press releases and publications related to their AmeriCorps program in accordance with

Corporation requirements. EAPs are strongly encouraged to use the AmeriCorps name and logo on such materials.

To establish the relationship between the program and AmeriCorps, the grantee should use the phrase “The AmeriCorps National Service Network” or “an AmeriCorps program or “a proud member of the AmeriCorps national service network.” Grantees are strongly encouraged to provide information or training to their AmeriCorps members about how their program is part of the national AmeriCorps program and the other programs of the Corporation for National and Community Service. Grantees are strongly encouraged to place signs that include the AmeriCorps name and logo at their service sites and may use the slogan “AmeriCorps Serving Here.” AmeriCorps members should state they are AmeriCorps members during public speaking opportunities.

The grantee may not alter the AmeriCorps logo, and must obtain the written permission of the Corporation before using the AmeriCorps name or logo on materials that will be sold, or permitting donors to use the AmeriCorps name or logo in promotional materials. The grantee may not use or display the AmeriCorps name or logo in connection with any activity prohibited in these grant provisions.

C. MEMBER RECRUITMENT, SELECTION, AND EXIT

Member recruitment and selection requirements are in the Corporation’s regulations at 45 CFR Part 2522.210. In addition, the grantee must ensure that the following procedures are followed:

1. **Notice to the Corporation’s National Service Trust.** The grantee must notify the Corporation’s National Service Trust within 30 days of a member’s selection for, completion of, suspension from, or release from, a term of service. Suspension of service is defined as an extended period during which the member is not serving, nor accumulating service hours or receiving AmeriCorps benefits.

The grantee also must notify the Trust, via the My AmeriCorps Portal, when a change in a member’s term of service is approved and changed (i.e. from full-time to less than full-time or vice versa). Failure to report such changes within 30 days may result in sanctions to the grantee, up to and including, suspension or termination. Grantees or subgrantees meet notification requirements when they use the appropriate electronic system to inform the Corporation within the approved time frames. Any questions regarding the Trust should be directed to the Trust Office (800) 942-2677.

Penalties for false information: Any individual who makes a materially false statement or representation in connection with the approval or disbursement of an education award or other payment from the National Service Trust may be liable for the recovery of funds and subject to civil and criminal sanctions.

2. **Parental Consent.** Parental or legal guardian consent must be obtained for members under 18 years of age before beginning a term of service. Grantees may also include an

informed consent form of their own design as part of the member service agreement materials.

3. **Reasonable Accommodation.** Programs and activities must be accessible to persons with disabilities, and the grantee must provide reasonable accommodation to the known mental or physical disabilities of otherwise qualified members, service recipients, applicants, and staff. All selections and project assignments must be made without regard to the need to provide reasonable accommodation. See the Policy FAQ entitled Reasonable Accommodation for more information.
4. **Assigning Members to Service Locations.** So that CNCS can track where all members are serving, the grantee is required to ensure that operating sites and all service locations are entered in the My AmeriCorps portal for all members within 30 days of members' selection for a term of service. As AmeriCorps State and National programs enroll members for service they are required to include the name of the organization, and the full address or zip-plus-four of the service locations where the member will be serving. If a member is serving at multiple service locations, the program must select the one where the member serves a majority of his or her hours for the member's assignment, however, all service locations must be listed in the portal.
5. **Timekeeping.** The grantee is required to ensure that time and attendance recordkeeping is conducted by the individual who supervises the AmeriCorps member. This time and attendance record is used to document member eligibility for in-service and post-service benefits. Time and attendance records must be signed and dated both by the member and by an individual with oversight responsibilities for the member.

If a professional corps program wants to follow the timekeeping practices of its profession and certify members have completed the minimum required hours excluding sick and vacation days, it must get advance approval from the Corporation.

6. **Completion of Terms of Service.** The grantee must ensure that each member has sufficient opportunity to complete the required number of hours of service to qualify for their education award. Members must be exited within 30 days of the end of their term of service. Should a program not be renewed, a member who was scheduled to continue in a term of service may either be placed in another program where feasible, or a member may receive a pro-rated education award if the member has completed at least 15% of the service hour requirement.
7. **Member Exit.** In order for a member to receive a post-service education award from the National Service Trust, the grantee must certify to the National Service Trust that the member satisfactorily and successfully completed the term of service, and is eligible to receive the education benefit. The grantee (and any individual or entity acting on behalf of the grantee) is responsible for the accuracy of the information certified on the end-of-term certification.

D. SUPERVISION AND SUPPORT

1. **Planning for the Term of Service.** The grantee must develop member positions that provide for meaningful service activities and performance criteria that are appropriate to the skill level of members. The grantee is responsible for ensuring that the positions do not include or put the AmeriCorps member in a situation in which the member is at risk for engaging in any prohibited activity (see 45 CFR § 2520.65), activity that would violate the non-duplication and non-displacement requirements (see 45 CFR § 2540.100), or prohibited fundraising activity (see 45 CFR §§ 2520.40-45). The grantee must accurately and completely describe the activities to be performed by each member in a position description, to be provided to the Corporation on request. The grantee must ensure that each member has sufficient opportunity to complete the required number of hours to qualify for a post-service education award. In planning for the member's term of service, the grantee must account for holidays and other time off, and must provide each member with sufficient opportunity to make up missed hours.
2. **Member Service Agreements.** The grantee must require that each member signs a service agreement that, at a minimum, includes the following:
 - a. Member position description;
 - b. The minimum number of service hours (as required by statute) and other requirements (as developed by the grantee) necessary to successfully complete the term of service and to be eligible for the education award;
 - c. The amount of the education award being offered for successful completion of the terms of service in which the individual is enrolling;
 - d. Standards of conduct, as developed by the grantee or subgrantee;
 - e. List of prohibited activities, including those specified in the regulations at 45 CFR 2520.65 (see paragraph 3, below);
 - f. Requirements under the Drug-Free Workplace Act (41 U.S.C. 701 *et seq.*);
 - g. Suspension and termination rules;
 - h. The specific circumstances under which a member may be released for cause;
 - i. Grievance procedures; and
 - j. Other requirements as established by the grantee.

The grantee should ensure that the service agreement is signed before commencement of service so that members are fully aware of their rights and responsibilities.

3. **Prohibited Activities.** While charging time to the AmeriCorps program, accumulating service or training hours, or otherwise performing activities supported by the AmeriCorps program or the Corporation, staff and members may not engage in the following activities (see 45 CFR § 2520.65):
 - a. Attempting to influence legislation;
 - b. Organizing or engaging in protests, petitions, boycotts, or strikes;
 - c. Assisting, promoting, or deterring union organizing;
 - d. Impairing existing contracts for services or collective bargaining agreements;

- e. Engaging in partisan political activities, or other activities designed to influence the outcome of an election to any public office;
- f. Participating in, or endorsing, events or activities that are likely to include advocacy for or against political parties, political platforms, political candidates, proposed legislation, or elected officials;
- g. Engaging in religious instruction, conducting worship services, providing instruction as part of a program that includes mandatory religious instruction or worship, constructing or operating facilities devoted to religious instruction or worship, maintaining facilities primarily or inherently devoted to religious instruction or worship, or engaging in any form of religious proselytization;
- h. Providing a direct benefit to—
 - i. A business organized for profit;
 - ii. A labor union;
 - iii. A partisan political organization;
 - iv. A nonprofit organization that fails to comply with the restrictions contained in section 501(c)(3) of the Internal Revenue Code of 1986 except that nothing in this section shall be construed to prevent participants from engaging in advocacy activities undertaken at their own initiative; and
 - v. An organization engaged in the religious activities described in paragraph (g) of this section, unless Corporation assistance is not used to support those religious activities;
- i. Conducting a voter registration drive or using Corporation funds to conduct a voter registration drive;
- j. Providing abortion services or referrals for receipt of such services; and
- k. Such other activities as the Corporation may prohibit.

AmeriCorps members may not engage in the above activities directly or indirectly by recruiting, training, or managing others for the primary purpose of engaging in one of the activities listed above. Individuals may exercise their rights as private citizens and may participate in the activities listed above on their initiative, on non-AmeriCorps time, and using non-Corporation funds. Individuals should not wear the AmeriCorps logo while doing so.

4. **Supervision.** The grantee must provide members with adequate supervision by qualified supervisors in accordance with the approved application. The grantee must conduct an orientation for members, including training on what activities are prohibited during AmeriCorps service hours, and comply with any pre-service orientation or training required by the Corporation. The grantee must ensure that it does not exceed the limitation on time spent in training and education set forth in 45 CFR § 2520.50.
5. **Performance Reviews.** The grantee must conduct and keep a record of at least a midterm and end-of-term written evaluation of each member's performance for Full and Half-Time members and an end-of-term written evaluation for less than Half-time members. The end-of-term evaluation should focus on such factors as:
 - a. Whether the member has completed the required number of hours;

- b. Whether the member has satisfactorily completed assignments; and
 - c. Whether the member has met other performance criteria that were clearly communicated at the beginning of the term of service.
6. **Member Death or Injury.** The grantee must report any member deaths or serious injuries to the designated Corporation Program Officer immediately.

E. CHANGES IN MEMBER TERMS OF SERVICE OR PROGRAM SLOTS

1. **Changes that Require CNCS Approval.** Circumstances may arise within a program that necessitate changing the type of unfilled AmeriCorps member positions awarded to a grantee or subgrantee, or changing the term of service of a currently enrolled member. Note that once a member is exited with a partial education award, the remaining portion of that education award is not available for use. The following changes require written approval from the Corporation's Office of Grants Management as well as written approval and concurrence from the State Commission or Parent Organization:
- a. A change in the number of member service year positions in the grant; and/or
 - b. A change in the funding level of the grant.
2. **Changing Slot Types (unfilled positions).** Except for Full-cost and Professional Corps Fixed Amount grants, grantees or subgrantees may change the type of slots awarded to their program if:
- a. The change does not increase the total MSYs authorized in the Notice of Grant Award (e.g. one half-time position cannot be changed to one full-time position),
 - b. The change does not increase the amount of the education award.

All changes are subject to availability of funds in the Trust, will be Trust neutral, and will comply with all assumptions on which Trust prudence and continued solvency are predicted. Changes in slot type may be made by the grantee directly in the My AmeriCorps Portal.

3. **Changing a Term of Service (currently enrolled positions).** Changes in terms of service may not result in an increased number of MSYs for the program. With the exception of Education Award only grants, grantees with Fixed Amount grants may not convert members to less-than-full-time slots.
- a. **Full-time.** State Commissions and Parent Organizations may authorize or approve occasional changes of currently enrolled full-time members to less than full-time members. Impact on program quality should be factored into approval of requests. The Corporation will not cover health care or childcare costs for less than full-time members. It is not allowable to transfer currently enrolled full-time members to a less than full-time status simply to provide a less than full-time education award.
 - b. **Less than Full-time.** The Corporation discourages changing less than full-time members to full-time because it is very difficult to manage, unless done very early in

the member's term of service. State Commissions and Parent Organizations may authorize or approve such changes so long as their current budget can accommodate such changes. Programs must keep in mind that a member's minimum 1700 hours must be completed within 12 months of the member's original start date.

- c. **Refilling Slots.** Eligible AmeriCorps State and National programs that have fully enrolled their awarded member slots are allowed to replace any member who terminates service before completing 30 percent of his/her term provided that the member who is terminated is not eligible for and does not receive a pro-rated education award. Programs may not refill the same slot more than once.

As a fail-safe mechanism to ensure that resources are available in the National Service Trust to finance any member's education award, the Corporation will suspend refilling if either:

- i. Total AmeriCorps enrollment reaches 97 percent of awarded slots; or
- ii. The number of refills reaches five percent of awarded slots.

Grantees whose awards have special grant conditions under 45 CFR 2543.14 or 2541.120 are not eligible to refill positions. In order to be qualified to refill, grantees will be evaluated on the basis of the outcomes of Inspector General audits, site visits, and oversight by CNCS program and grants officers.

4. **Formula and State Competitive Grant Slot Transfers.** State commissions are allowed to transfer slots among their state formula and competitive subgrantees in order to maximize enrollment and cost effectiveness without prior approval. State commissions may not transfer slots between competitive and formula grantees, or vice-versa. State commissions may not transfer funds among their competitive subgrantees. Slots eligible for refill are not allowed to be transferred.
5. **Notice to Childcare and Healthcare Providers.** The grantee must immediately notify the Corporation's designated agents, in writing, when a member's status changes that affect eligibility for childcare or healthcare. See Section IV.G. 6.

F. RELEASE FROM PARTICIPATION

Grantees may release members from participation for two reasons: (a) for compelling personal circumstances; and (b) for cause. See 45 CFR §2522.230 for requirements. Whether the reason for the release amounts to circumstances beyond the member's control is determined by the grantee, consistent with the criteria listed in 45 CFR § 2522.230(a). Failure to follow the requirements set forth in regulation (e.g., releasing an individual for compelling personal circumstances when the individual is leaving to go to school) is considered non-compliance with grant requirements and may result in disallowed costs and other remedies for non-compliance. In addition to the regulations, the following applies:

No Automatic Disqualification if Released for Cause: A release for cause covers all circumstances in which a member does not successfully complete his/her term of service for reasons other than compelling personal circumstances. Therefore, it is possible for a member to

receive a satisfactory performance review and be released for cause. For example, a member who is released for cause for a first term for personal reasons—e.g. he/she has decided to take a job offer—but who, otherwise, was performing well up until the time he/she decided to leave, would not be disqualified for a subsequent term as long as he/she received a satisfactory performance evaluation for the period he/she served.

G. LIVING ALLOWANCES, OTHER IN-SERVICE BENEFITS, AND TAXES

1. **Living Allowance Distribution.** A living allowance is not a wage. Grantees must not pay a living allowance on an hourly basis. Grantees should pay the living allowance in regular increments, such as weekly or bi-weekly, paying an increased increment only on the basis of increased living expenses such as food, housing, or transportation. Payments should not fluctuate based on the number of hours served in a particular time period, and must cease when a member concludes a term of service.

If a member serves all required hours and is permitted to conclude his or her term of service before the originally agreed upon end of term, the grantee may not provide a lump sum payment to the member. Similarly, if a member is selected after the program's start date, the grantee must provide regular living allowance payments from the member's start date and may not increase the member's living allowance incremental payment or provide a lump sum to make up any missed payments.

AmeriCorps EAPs may provide a living allowance or other in-service benefits to their members, but are not required to do so. Full-cost and other Fixed Amount grantees must provide the living allowance.

2. **Waiving the Living Allowance.** If a living allowance is paid, a member may waive all or part of the payment of a living allowance if he or she believes his or her public assistance may be lost or decreased because of the living allowance. Even if a member waives his or her right to receive the living allowance, it is possible—depending on the specific public assistance program rules—that the amount of the living allowance that the member is eligible to receive will be deemed available. A member who has waived the living allowance may revoke the waiver at any time and may begin receiving the living allowance prospective to the revocation date; the member may not receive any portion of the living allowance accrued during the waiver period.
3. **Taxes and Insurance.** Requirements related to member living allowances and benefits are in 45 CFR §§2522.240 and 2522.250. In addition, grantees must ensure that the following procedures are followed:
 - a. **Liability Insurance Coverage.** The grantee is responsible for ensuring adequate general liability coverage for the organization, employees and members, including coverage of members engaged in on- and off-site project activities.
 - b. **FICA (Social Security and Medicare taxes).** Unless the grantee obtains a ruling from the Social Security Administration or the Internal Revenue Service that specifically exempts its AmeriCorps members from FICA requirements, the grantee

must pay FICA for any member receiving a living allowance. The grantee also must withhold 7.65% from the member's living allowance.

- c. **Income Taxes.** The grantee must withhold Federal personal income taxes from member living allowances, requiring each member to complete a W-4 form at the beginning of the term of service and providing a W-2 form at the close of the tax year. The grantee must comply with any applicable state or local tax requirements.
 - d. **Worker's Compensation.** Some states require worker's compensation for AmeriCorps members. Grantees must check with State Departments of Labor or state commissions to determine worker's compensation requirements. If worker's compensation is not required, grantees must obtain Occupational, Accidental, and Death and Dismemberment coverage for members to cover in-service injury or incidents.
4. **Healthcare Coverage.** Except for EAPs, Professional Corps, or members covered under a collective bargaining agreement, the grantee must provide, or make available, healthcare insurance to those members serving a 1700-hour full-time term who are not otherwise covered by a healthcare policy at the time each begins his/her term of service. The grantee must also provide, or make available, healthcare insurance to members serving a 1700-hour full-time term who lose coverage during their term of service as a result of service or through no deliberate act of their own. The Corporation will not cover healthcare costs for dependent coverage.

Less-than-full-time members who are serving in a full-time capacity for a sustained period of time (e.g. a full-time summer project) are eligible for health care benefits. Programs may provide health insurance to less-than-full-time members serving in a full-time capacity, but they are not required to do so. For purposes of this provision, a member is serving in a full-time capacity when his/her regular term of service will involve performing service on a normal full-time schedule for a period of six weeks or more. A member may be serving in a full-time capacity without regard to whether his/her agreed term of service will result in a full-time Segal AmeriCorps Education Award.

Minimum Benefits. When required to provide healthcare insurance coverage, the grantee may obtain healthcare from any provider as long as the coverage provided by the grantee provides the following minimum benefits:

- a. Physician services for illness or injury
- b. Hospital room and board
- c. Emergency room
- d. X-ray and laboratory
- e. Prescription drugs
- f. Limited mental/nervous disorders
- g. Limited substance abuse coverage
- h. An annual deductible of no more than \$250 charges per member
- i. No more than \$1,000 total annual out-of-pocket per member
- j. A 20% co-pay or a comparable fixed fee with the exception of a 50% co-pay for mental and substance abuse care

k. A maximum benefit of at least \$50,000 per occurrence or cause

5. **Administration of Childcare Payments.** In general, the Corporation will provide for childcare payments, which will be administered through First Financial Associates. Requirements and eligibility criteria are in the AmeriCorps regulation 45 CFR §2522.250. Grantees that choose to provide childcare as a match source (as approved in their budget) may use First Financial for technical assistance. Grantees can contact First Financial at (800) 453-8151 with questions regarding childcare. The criteria for member eligibility are contained in 45 CFR Part 2522.250. Members are considered to be full-time participants for purposes of eligibility for childcare payments on the same basis as eligibility for healthcare coverage. Members who are excluded from healthcare coverage solely on the basis of serving in a Professional Corps, or because they are covered under a collective bargaining agreement are not excluded from receiving childcare benefits on that basis. Members serving in EAPs are not eligible for the childcare benefit. The Corporation will not cover childcare costs for family members or for members who have not served on a full-time, or who have ceased serving on a full-time basis. Programs may provide child care to less-than-full-time members serving in a full-time capacity, but they are not required to do so. Also see the Policy FAQs for more detailed information on administering childcare and healthcare.
6. **Notice to Childcare and Healthcare Providers.** The grantee must notify the Corporation's designated agents in writing, immediately, when a member's status changes that affect eligibility for childcare or healthcare. Examples of changes in status include: changes to a member's scheduled service so that he/she is no longer serving on a full-time basis; terminating or releasing a member from service; and suspending a member for cause for a lengthy or indefinite time period. Program directors should contact First Financial Associates at (800) 453-8151 on childcare related changes, and their health insurance provider about health insurance related changes.

H. MEMBER RECORDS AND CONFIDENTIALITY

1. **Recordkeeping.** The grantee must ensure that records, including the position description, are maintained sufficient to establish that each member was eligible to participate and that the member successfully completed all requirements. A program may store member files electronically if the program can ensure that the validity and integrity of the record is not compromised. The Corporation will recognize electronically stored files where:

The electronic storage procedures and system provide for the safe-keeping and security of the records, including:

- a. Sufficient prevention of unauthorized alterations or erasures of records;
- b. Effective security measures to ensure that only authorized persons have access to records;
- c. Adequate measures designed to prevent physical damage to records; and
- d. A system providing for back-up and recovery of records; and

The electronic storage procedures and system provide for the easy retrieval of records in a timely fashion, including:

- a. Storage of the records in a physically accessible location;
- b. Clear and accurate labeling of all records; and
- c. Storage of the records in a usable, readable format.

Where there is a requirement for a signature on a record, electronically stored records must include an image of the original signature; records without signatures, when required, are considered incomplete.

2. **Verification.** The grantee must obtain and maintain documentation as required by 45 CFR§2522.200(c). The Corporation does not require programs to make and retain copies of the actual documents used to confirm age or citizenship eligibility requirements, such as a driver's license, or birth certificate, as long as the grantee has a consistent practice of identifying the documents that were reviewed and maintaining a record of the review.

Enrolling in the My AmeriCorps portal requires a member to certify his/her high school status. Such certification fulfills the grantee's verification requirement to obtain and maintain documentation from the member relating to the member's high school education. If the member has been determined to be incapable of obtaining a high school diploma or its equivalent, the grantee must retain a copy of the supporting independent evaluation.

3. **Confidential Member Information.** The grantee must maintain the confidentiality of information regarding individual members. The grantee must obtain the prior written consent of all members before using their names, photographs and other identifying information for publicity, promotional or other purposes. Grantees may release aggregate and other non-identifying information, and are required to release member information to the Corporation and its designated contractors. The grantee must permit a member who submits a written request for access to review records that pertain to the member and were created pursuant to this grant.

I. BUDGET AND PROGRAMMATIC CHANGES

1. **Programmatic Changes.** The grantee must first obtain the prior written approval of the AmeriCorps Program Office before making the following changes:
 - a. Changes in the scope, objectives or goals of the program, whether or not they involve budgetary changes;
 - b. Substantial changes in the level of participant supervision;
 - c. Entering into additional subgrants or contracts for AmeriCorps activities funded by the grant, but not identified or included in the approved application and grant budget.
2. **Program Changes for Formula Programs.** State Commissions are responsible for approving the above changes for state formula programs.

3. **Budgetary Changes.** The grantee must obtain the prior written approval of the Corporation's Office of Grants Management before deviating from the approved budget in any of the following ways:
 - a. Specific Costs Requiring Prior Approval before Incurrence under OMB Circulars A-21 (2 CFR Part 220), A-87 (2 CFR Part 225), or A-122 (2 CFR Part 230). For certain cost items, the cost circulars require approval of the awarding agency for the cost to be allowable. Examples of these costs are overtime pay, rearrangement and alteration costs, and pre-award costs.
 - b. Purchases of Equipment over \$5,000 using grant funds, unless specified in the approved application and budget.
 - c. Unless the Corporation share of the award is \$100,000 or less, changes to cumulative and/or aggregate budget line items that amount to 10 per cent or more of the total budget must be approved in writing in advance by the Corporation. The total budget includes both the Corporation and grantee shares. Grantees may transfer funds among approved direct cost categories when the cumulative amount of such transfers does not exceed 10 percent of the total budget.

6. **Approvals of Programmatic and Budget Changes.** The Corporation's Grants Officers are the only officials who have the authority to alter or change the provisions or requirements of the grant. The Grants Officers will execute written amendments, and grantees should not assume approvals have been granted unless documentation from the Grants Office has been received. Programmatic changes also require final approval of the Corporation's Office of Grants Management after written recommendation for approval is received from the Program Office.

7. **Exceptions for Fixed Amount Grants.** Grantees with Fixed Amount grants are not subject to the requirements in Section 3, Budgetary Changes.

J. REPORTING REQUIREMENTS

Reporting requirements in these Provisions apply only to the grantee. The grantee is responsible for timely submission of periodic financial and progress reports during the project period and a final financial report.

1. **Grantee Progress Reports.** The grantee shall complete and submit progress reports in eGrants to report on progress toward achievement of its approved performance targets.

A grantee must set its own submission deadlines for its respective subgrantees sufficient to enable the grantee to report on-time. Cost reimbursement National Professional Corps grantees submit one financial report per year.

All grantees including Fixed Amount grants must submit the Federal Financial Report (FFR) - Cash Transactions Report on a quarterly basis to the Department of Health and Human Services Payment Management System per the Electronic Funds Transfer Agreement.

3. **Reporting Other Federal Funds.** The grantee shall report the amount and sources of federal funds, other than those provided by the Corporation, used to carry out its programs. This includes other federal funds expended by subgrantees and operating sites. This information shall be reported annually on the financial report due October 31st. Fixed Amount grantees are not required to report this information.
4. **Requests for Extensions.** Each grantee must submit required reports by the given dates. Extensions of reporting deadlines will be granted only when 1) the report cannot be furnished in a timely manner for reasons legitimately beyond the control of the grantee, and 2) the Corporation receives a request explaining the need for an extension before the due date of the report.

Extensions of deadlines for financial reports may only be granted by the Office of Grants Management, and extensions of deadlines for Progress Reports may only be granted by the AmeriCorps Program Office.

5. **Final Financial Reports.** A grantee must submit, in lieu of the last semi-annual financial report, a final financial report that is due within 90 days after the end of the grant.
6. **Financial Reports for Fixed Amount Grants.** Fixed Amount grantees are not required to submit the financial reports to the Corporation, including the final financial report.

K. GRANT PERIOD AND INCREMENTAL FUNDING

For the purpose of the grant, a project period is the complete length of time the grantee is proposed to be funded to complete approved activities under the grant. A project period may contain one or more budget periods. A budget period is a specific interval of time for which Federal funds are being provided to fund a grantee's approved activities and budget.

Unless otherwise specified, the grant covers a three-year project period. In approving a multi-year project period, the Corporation generally makes an initial award for the first year of operation. Additional funding is contingent upon satisfactory performance, a grantee's demonstrated capacity to manage a grant and comply with grant requirements, and availability of Congressional appropriations. The Corporation reserves the right to adjust the amount of a grant award, or elect not to continue funding, on these bases. The project period and the budget period are noted on the award document.

V. GENERAL PROVISIONS

A. RESPONSIBILITIES UNDER GRANT ADMINISTRATION

1. **Accountability of the Grantee.** The grantee has full fiscal and programmatic responsibility for managing all aspects of the grant and grant-supported activities, subject to the oversight of the Corporation. The grantee is accountable to the Corporation for its operation of the AmeriCorps program and the use of Corporation grant funds. The grantee must expend grant funds in a judicious and reasonable manner, and it must record accurately the service activities and outcomes achieved under the grant. Although grantees are encouraged to seek the advice and opinion of the Corporation on special problems that may arise, such advice does not diminish the grantee's responsibility for making sound judgments and does not mean that the responsibility for operating decisions has shifted to the Corporation.
2. **Subawards.** A grantee may make subgrants in accordance with the requirements set forth in 45 CFR Parts 2541 and 2543. The grantee must have **and implement** a plan for oversight and monitoring to ensure that each subgrantee and service site has agreed to comply and is complying with relevant grant requirements, including prohibited AmeriCorps member activities.
3. **Notice to Corporation.** The grantee will notify the appropriate Corporation Program or Grants Officer immediately of any developments or delays that have a significant impact on funded activities, any significant problems relating to the administrative or financial aspects of the grant, or any suspected misconduct or malfeasance related to the grant or grantee. The grantee will inform the Corporation official about the corrective action taken or contemplated by the grantee and any assistance needed to resolve the situation.

B. FINANCIAL MANAGEMENT STANDARDS

1. **General.** The grantee must maintain financial management systems that include standard accounting practices, sufficient internal controls, a clear audit trail, and written cost allocation procedures, as necessary. Financial management systems must be capable of

distinguishing expenditures attributable to this grant from expenditures not attributable to this grant. The systems must be able to identify costs by program year and by budget category, and to differentiate between direct and indirect costs, or administrative costs. For further details about the grantee's financial management responsibilities, refer to OMB Circular A-102 and its implementing regulations (45 CFR§2541) or A-110 (2 CFR Part 215) and its implementing regulations (45 CFR§2543), as applicable.

2. **Consistency of Treatment.** To be allowable under an award, costs must be consistent with policies and procedures that apply uniformly to both federally financed and other activities of the organization. Furthermore, the costs must be accorded consistent treatment in both federally financed and other activities, as well as between activities, supported by different sources of federal funds.
3. **Audits.** Grantee organizations that expend \$500,000 or more in total federal awards in a fiscal year shall have a single or program-specific audit conducted for that year in accordance with the Single Audit Act, as amended, 31 U.S.C. 7501, et seq., and OMB Circular A-133. If the grantee expends federal awards under only one federal program, it may elect to have a program specific audit, if it is otherwise eligible. A grantee that does not expend \$500,000 in Federal awards is exempt from the single audit requirements of OMB Circular A-133 for that year. However, it must continue to conduct financial management reviews of its subgrantees, and records must be available for review and audit.

A recipient of a Federal grant (pass-through entity) is required in accordance with paragraph 400(d) of OMB Circular A-133, to do the following with regard to its subrecipients: (1) identify the Federal award and funding source; (2) advise subrecipients of all requirements imposed on them; (3) monitor subrecipient activities and compliance; (4) ensure subrecipients have A-133 audits when required; (5) issue decisions and ensure follow-up on audit findings in a timely manner; (6) where necessary, adjust its own records and financial statements based on audits; and (7) require subrecipients to permit access by the pass-through entity and auditors to records and financial statements, as necessary, for the pass-through entity to comply with A-133.

4. **Consultant Services.** Payments for consultant services under this grant will not exceed \$750.00 per day (exclusive of any indirect expenses, travel, supplies and so on) unless procured consistent with 45 CFR Part 2543.44.

C. THE OFFICE OF INSPECTOR GENERAL

The Corporation's Office of Inspector General (OIG) conducts and supervises independent and objective audits, evaluations, and investigations of Corporation programs and operations. Based on the results of these audits, reviews, and investigations, the OIG recommends policies to promote economy and efficiency and to prevent and detect fraud, waste, and abuse in the Corporation's programs and operations.

The OIG conducts and supervises audits of Corporation grantees, as well as legislatively mandated audits and reviews. The legislatively mandated audits include the annual financial statement audit, and fulfilling the requirements of the Government Information Security Reform Act and its successor, the Federal Information Security Management Act. A risk-based approach, along with input received from Corporation management, is used to select grantees and grants for audit. The OIG hires audit firms to conduct some of its audits. The OIG audit staff is available to discuss its audit function, and can be reached at (202) 606-9390.

The OIG is available to offer assistance to AmeriCorps grantees that become aware of suspected criminal activity in connection with the AmeriCorps program. Grantees should immediately contact OIG when they first suspect that a criminal violation has occurred. The OIG investigative staff is available to provide guidance and ensure that the appropriate law enforcement agency is notified, if required. The OIG may be reached by email at hotline@cncsig.gov or by telephone at (800) 452-8210.

D. PROGRAM INCOME

1. **General.** Income, including fees for service earned as a direct result of the grant-funded program activities during the award period, must be retained by the grantee and used to finance the grant's non-Corporation share.
2. **Excess Program Income.** Program income earned in excess of the amount needed to finance the grantee share must follow the appropriate requirements of 45 CFR §2541.250, 2 CFR Part 225, 2 CFR Part 215, or 2 CFR Part 220 and be deducted from total claimed costs. Grantees that earn excess income must specify the amount of the excess in the comment box on the financial report.
3. **Fees for Service.** When using assistance under this grant, the grantee may not enter into a contract for or accept fees for service performed by members when:
 - a. The service benefits a for-profit entity,
 - b. The service falls within the other prohibited activities set forth in these grant provisions, or
 - c. The service violates the non-displacement Provisions of the Act set forth in these grant provisions.
4. **Full-Cost and Professional Corps Fixed Amount Grants.** The grantee must notify its Grants Officer if it earns program income in excess of the amounts needed to cover all expenditures under the grant. The Grants Officer will determine the disposition of the excess program income.

E. SAFETY

The grantee must institute safeguards as necessary and appropriate to ensure the safety of members. Members may not participate in projects that pose undue safety risks.

F. NON-DISCRIMINATION PUBLIC NOTICE AND RECORDS COMPLIANCE

1. **Public Notice of Non-discrimination.** The grantee must notify members, community beneficiaries, applicants, program staff, and the public, including those with impaired vision or hearing, that it operates its program or activity subject to the non-discrimination requirements of the applicable statutes. The notice must summarize the requirements, note the availability of compliance information from the grantee and the Corporation, and briefly explain procedures for filing discrimination complaints with the Corporation.

Sample language is:

It is against the law for organizations that receive federal financial assistance from the Corporation for National and Community Service to discriminate on the basis of race, color, national origin, disability, sex, age, political affiliation, or, in most cases, religion. It is also unlawful to retaliate against any person who, or organization that, files a complaint about such discrimination. In addition to filing a complaint with local and state agencies that are responsible for resolving discrimination complaints, you may bring a complaint to the attention of the Corporation for National and Community Service. If you believe that you or others have been discriminated against, or if you want more information, contact:

*(Name, address, phone number – both voice and TTY, and preferably toll free – FAX number and email address of the grantee) or
Office of Civil Right and Inclusiveness
Corporation for National and Community Service
1201 New York Avenue, NW
Washington, DC 20525
1-800-833-3722 (TTY and reasonable accommodation line)
(202) 565-3465 (FAX); eo@cns.gov (email)*

The grantee must include information on civil rights requirements, complaint procedures and the rights of beneficiaries in member service agreements, handbooks, manuals, pamphlets, and post in prominent locations, as appropriate. The grantee must also notify the public in recruitment material and application forms that it operates its program or activity subject to the nondiscrimination requirements. Sample language, in bold print, is “**This program is available to all, without regard to race, color, national origin, disability, age, sex, political affiliation, or, in most instances, religion.**” Where a significant portion of the population eligible to be served needs services or information in a language other than English, the grantee shall take reasonable steps to provide written material of the type ordinarily available to the public in appropriate languages.

2. **Records and Compliance Information.** The grantee must keep records and make available to the Corporation timely, complete and accurate compliance information to allow the Corporation to determine if the grantee is complying with the civil rights statutes and implementing regulations. Where a grantee extends federal financial assistance to subgrantees, the subgrantees must make available compliance information to the grantee so it can carry out its civil rights obligations.

3. **Obligation to Cooperate.** The grantee must cooperate with the Corporation so that the Corporation can ensure compliance with the civil rights statutes and implementing regulations. The grantee shall permit access by the Corporation during normal business hours to its books, records, accounts, staff, members, facilities, and other sources of information as may be needed to determine compliance.

G. GRANT PRODUCTS

1. **Sharing Grant Products.** To the extent practicable, the grantee agrees to make products produced under the grant available at the cost of reproduction to others in the field.
2. **Acknowledgment of Support.** Publications created by members or grant-funded staff must be consistent with the purposes of the grant. The AmeriCorps logo may be included on such documents. The grantee is responsible for assuring that the following acknowledgment and disclaimer appears in any external report or publication of material based upon work supported by this grant.
“This material is based upon work supported by the Corporation for National and Community Service under AmeriCorps Grant No. _____. Opinions or points of view expressed in this document are those of the authors and do not necessarily reflect the official position of, or a position that is endorsed by, the Corporation or the AmeriCorps program.”

H. SUSPENSION OR TERMINATION OF GRANT

Regulations related to the Corporation’s authority to suspend or terminate this grant are contained in 45 CFR§2540.400. In addition, a grantee may suspend or terminate assistance to one of its subgrantees, provided that such action affords the subgrantee, at a minimum, the notice and hearing rights described in 45 CFR§2540.400.

I. FIXED AMOUNT AWARDS

Fixed Amount grants are not subject to the Federal Cost Principles. For Education Award Only programs, the fixed federal assistance amount of the grant is based on the approved and awarded number of full-time equivalent members (MSYs) specified in the award. For full-cost and Professional Corps Fixed Amount grants the fixed federal assistance amount of the grant is based on the approved and awarded numbers of full-time members and their completion of their terms of service.

For Education Award programs, the final award amount that the grantee may retain is dependent upon the grantee’s notifying the Corporation’s National Service Trust of the members that it has selected (subject to the number of members allotted to the grantee as specified in the award). All such members must carry out activities to achieve the specific project objectives as approved by the Corporation. At closeout, the Corporation will calculate the final amount of the grant based on Trust documentation. The Corporation will recover any amounts drawn down by the grantee in excess of the final grant amount allowed based on member selection documentation in the Trust.

For all other Fixed Amount grants, the grantee may draw funds from the HHS Payment Management System based on the number of members who complete a full term of service or if the member leaves before completing service, a pro-rated amount based on hours served. Full-cost and Professional Corps programs may draw up to 20% of the funds within the first two months to cover start-up costs (recruitment and application, training, criminal history checks, etc.). Funds drawn after that should be based on the number of members on board at the time and the percentage of hours completed. Annually and at closeout, the Corporation will calculate the final amount of the grant for the year or entire project period (at closeout) based on an allowance of 20% for start-up costs + number of education awards earned + percentages of remaining terms served.

Grant Program Civil Rights and Non-Harassment Policy

The Corporation for National and Community Service (CNCS) has zero tolerance for the harassment of any individual or group of individuals for any reason. CNCS is committed to treating all persons with dignity and respect. CNCS prohibits all forms of discrimination based upon race, color, national origin, gender, age, religion, sexual orientation, disability, gender identity or expression, political affiliation, marital or parental status, or military service. All programs administered by, or receiving Federal financial assistance from CNCS, must be free from all forms of harassment. Whether in CNCS offices or campuses, in other service-related settings such as training sessions or service sites, or at service-related social events, such harassment is unacceptable. Any such harassment, if found, will result in immediate corrective action, up to and including removal or termination of any CNCS employee or volunteer. Recipients of Federal financial assistance, be they individuals, organizations, programs and/or projects are also subject to this zero tolerance policy. Where a violation is found, and subject to regulatory procedures, appropriate corrective action will be taken, up to and including termination of Federal financial assistance from all Federal sources.

Slurs and other verbal or physical conduct relating to an individual's gender, race, ethnicity, religion, sexual orientation or any other basis constitute harassment when it has the purpose or effect of interfering with service performance or creating an intimidating, hostile, or offensive service environment. Harassment includes, but is not limited to: explicit or implicit demands for sexual favors; pressure for dates; deliberate touching, leaning over, or cornering; offensive teasing, jokes, remarks, or questions; letters, phone calls, or distribution or display of offensive materials; offensive looks or gestures; gender, racial, ethnic, or religious baiting; physical assaults or other threatening behavior; or demeaning, debasing or abusive comments or actions that intimidate.

CNCS does not tolerate harassment by anyone including persons of the same or different races, sexes, religions, or ethnic origins; or from a CNCS employee or supervisor; a project, or site employee or supervisor; a non-employee (e.g., client); a co-worker or service member.

I expect supervisors and managers of CNCS programs and projects, when made aware of alleged harassment by employees, service participants, or other individuals, to immediately take swift and appropriate action. CNCS will not tolerate retaliation against a person who raises harassment concerns in good faith. Any CNCS employee who violates this policy will be subject to discipline, up to and including termination, and any grantee that permits harassment in violation of this policy will be subject to a finding of non-compliance and administrative procedures that may result in termination of Federal financial assistance from CNCS and all other Federal agencies.

Any person who believes that he or she has been discriminated against in violation of civil rights laws, regulations, or this policy, or in retaliation for opposition to discrimination or participation in discrimination complaint proceedings (e.g., as a complainant or witness) in any CNCS program or project, may raise his or her concerns with our Office of Civil Rights and Inclusiveness (OCRI). Discrimination claims not brought to the attention of OCRI within 45 days of their occurrence may not be accepted in a formal complaint of discrimination. No one can be required to use a program, project or sponsor dispute resolution procedure before contacting OCRI. If another procedure is used, it does not affect the 45-day time limit. OCRI may be reached at (202) 606-7503 (voice), (202) 606-3472 (TTY), eo@cns.gov, or through www.nationalservice.gov.
